
Agriculture Chemicals

Typical chemical and physical properties

TIWETT 068 W is a non-ionic silicone polyether based wetting, Dispersing & performance enhancer of agricultural chemicals especially water soluble herbicides, insecticides, fungicides and plant growth regulators.

Properties:

Appearance	Light Brown Clear Liquid
Solid content	100 % Min
Flash Point	> 100 °C
Solubility	Dispersible in water

Applications and typical treat level recommended

Herbicides	0.125% to 0.45 % of spray soln.
Insecticides	0.45 to 1.5 % of spray soln.

Benefits

Reduces surface tension of aqueous agricultural mixtures significantly & thus Produces very rapid wetting and spreading on hard to wet surfaces such as Waxy leaves.

TIWETT 53 HP 29

Safety and Handling	Please read Material Safety Data Sheet (MSDS) before handling.
Product Specification	This information is available on request through our local representative.
Packaging	This information is available on request through our local representative.
Storage Stability	At least 6 months at adequate storage

Quality Policy The objective of our quality policy is the continuous fulfillment of the internal and external requirements agreed upon with our partners with regards to everybody's performance.

The Quality System of ADD APT[®] Chemicals BV is based on the principles of the SN-ISO-Standard 9001 / EN 29001.

Liabilities

All recommendations for the use of our products, whether given by us in writing, orally, or to be implied from the results of tests carried out by us, are based on the current state of our knowledge. Notwithstanding any such recommendations, buyer or user remains responsible for satisfying himself that the products as supplied by us are suitable for his intended process or purpose. Since we cannot control the application, use or processing of the products, we cannot accept responsibility thereof. Buyer has to ensure that the intended use of the products will not infringe any third party's intellectual property rights. We warrant that our products are free from defects in accordance with, and subject to, our general conditions of sale and supply.
